

CLASSROOM VALENTINES

Let your favorite characters help you spread Valentine's Day love this year! Print out this sheet on heavy-weighted paper for the best results. Ask an adult to help you cut out the valentines below on the dashed lines, then fold each valentine on the dotted line.

Write your Valentine's Day message inside and distribute to your friends to say...

Safety note: When making crafts, it is important to keep safety in mind. Children should always ask permission from an adult before using scissors.
