HIP HANGER

You're always on the go, so let Pete help you let people know when you're ready to rock or you need to chill out. Color around Pete on both sides of this door hanger, then ask an adult to help you cut it out along the dotted lines. Fold along the solid black line and tape it together, then hang it on your door. Turn it around whenever you want to change the message!

Safety Note: When making crafts, it is important to keep safety in mind. Children should always ask permission from an adult before using scissors.
