

BUILD A TABLE

The illustrations in *I Am a Witch's Cat* are paper dioramas created and photographed by Harriet Muncaster. Now you can create your own paper diorama with these props designed by the illustrator!

To create a table, ask an adult to help you cut out the image below. Then fold each side of the table down. On each leg, fold the white flap behind the red leg. Stand up your table and place it in a diorama of your own, or use the other downloadables for this title to create a scene.

WITCH'S CAT AND KITCHEN SUPPLIES

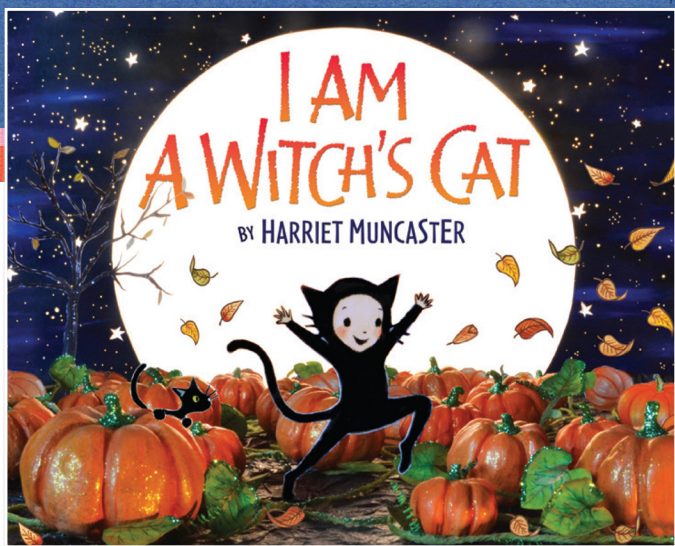

The illustrations in *I Am a Witch's Cat* are paper dioramas created and photographed by Harriet Muncaster. Now you can create your own paper diorama with these props designed by the illustrator!

Below are paper cutouts of the little girl from *I Am A Witch's Cat* and kitchen items. Some of the jars are left blank so you can color them in with what you think should be placed in the kitchen.

Be creative! Use crayons, colored pencils, and markers.

Ask an adult to help you cut out the images below. Then fold the white flap behind each item. This will allow each item to stand on its own. You can also affix a piece of tape to the white flap of each item to stabilize it.

MORE KITCHEN SUPPLIES

The illustrations in *I Am a Witch's Cat* are paper dioramas created and photographed by Harriet Muncaster. Now you can create your own paper diorama with these props designed by the illustrator!

Below are paper cutouts of the kitchen items. Some of the boxes are left blank so you can color them in with what you think should be placed in the kitchen.

Be creative! Use crayons, colored pencils, and markers.

Ask an adult to help you cut out the images below. Then create each box by folding in the flaps. You can use a piece of tape to secure each box.
