GROW A READER

Older children will enjoy reading to you! Whether it's a word, a sentence, or an entire book, your little one will love to turn the tables.

39

GROW A READER

Have regular reading time in your child's day, whether during breakfast, after school, or before bed. Even a few minutes of reading will improve your child's skills and love of the written word.

34

33

32

80

GROW A READER

Make sure you have reading materials everywhere in the house, whether it's books, magazines, word games, or even catalogs.

Nancy is growing along with your reading skills: There are I Can Read!™ Fancy Nancy books for younger readers.

27

60

GROW A READER

Once your child can understand a story, bring it to life. Act it out, play characters, have props—anything to make reading pure pleasure.

1 foot

GROW A READER

Use your finger to trace the words as you read so your child learns how written language works: left to right and top to bottom.

25

11

20

GROW A READER

Start from the very beginning, when your child is just a baby. Your little one will love the warmth and closeness long before she can understand the words.
